# PRESIDENT'S REPORT

---

Greetings All,

I was both proud and excited to be selected as President of SACTA at our February Meeting at the 2020 Down the Line State Carnival. I was looking forward to a fantastic year of shooting, but little did we know, after our March State Skeet Carnival, we would be closed down for several months due to the COVID-19 Pandemic.

To that point, I would like to thank the South Australian Marshall Government, for their handling of the COVID-19 situation here in South Australia, which has of course, has seen our States Clubs back shooting around early June, with not only just practice, but back to full competition and been so for the past several months.

I would like to thank our Secretary and our State Executive for their behind the scenes work, and for the 'go to' and 'facetime' meetings that have started to become our new normal way of communication.

I would also like to thank International Clay Target Club once again for holding the Down the Line and the Skeet carnivals this year, as well as the Kingston Clay Target Club for holding the State Sporting Clay Carnival.

I would like to congratulate all the State Teams and individuals that qualified to represent South Australia, that unfortunately were unable to represent at their corresponding National Titles. I am looking forward and providing we, as South Australia can stay COVID-19 free, to hold our ISSF Carnival in October 2020, and the South Australia Junior Championships in December 2020, and then to hold our Down the Line State Carnival in February 2021.

Let us now take a moment to remember our fallen friends that have sadly passed away this year. I would like to send condolences to all of their families and friends on behalf of all the Shooting Community.

A thank you also to our retiring and outgoing executive, Bronte Evans, Michael Raper and Arthur Tanner. This gives me privilege to now welcome new executive members Sue Denton, Don Beelitz and Raymond Marshall.

Thank you to all 2020 Sponsors that have provided ongoing support to us at SACTA through a year of uncertainty and welcome our new Sponsors that have come onboard for the 2021 year of shooting.

Wishing everybody all the best for the remainder of 2020 and into 2021.

Yours in Shooting,  
John Bretag  
SACTA President

# STATE COACHING REPORT

---

Hi Everyone.

I hope this message finds you and your families all well during these weird times that we have all had to endure. It has been (to say the very least) an unbelievable 12 months since we spoke last. From the raging bushfires that saw half of our Country alight to the never-before seen stage 4 lockdowns that have been crippling some States throughout Australia.

Our sport, like many others had been brought to its knees. We had to endure mandated Club closures while we slowly navigated our way through the restrictions and regulations that had to be met before we could start to reopen and venture out again in smaller groups. To say that “The year we thought we were going to have, has been cancelled”, would be an understatement.

To that end, while we have been in closure, some major changes have been happening behind the scenes Nationally regarding the way that ‘Coaching’ is delivered to our sport in a more clear and concise manner. On March 19, a small group of us (State Coaching Directors) met in Wagga (just before lockdowns), to create a platform for moving the way that we teach, into a new direction for the years ahead.

Coaching accreditations throughout this Country were formerly handled through ‘Shooting Australia’. The National Executive believed that it was time to dismantle the old system and for the ACTA to take control of our own destiny. A National ACTA Coaching Committee was formed with ACTA Vice-President Garry Read as Chair. David Coleman (Chairman) State Coaching Directors Committee, with myself and a small selected group being on the National Coaching Management Committee and reporting back directly to the ACTA Board.

Tasked with creating the new pathways for Coaching throughout Australia numerous changes have already been implemented including the securement of Russell & Lauryn Mark to assist in creating a YouTube video channel with a selection of videos and tools for the use of all accredited Coaches to assist in some of the training programs that will be run in the near future.

All nature of paperwork and manuals have been revised and upgraded where necessary to deliver a curriculum that is identical in each State. Planned for a launch early in the New Year, we hope that the streamlining and fine-tuning that we have done delivers a much more simplified accreditation process which retains all the necessary requirements of State Legislation. We will now have a 3-tiered system of Club Coach (entry level), Competition Coach, and Advanced Coach. There will also be a “Coaching Corner” in our CTSN magazine, to welcome new Coaches, or even profile an existing Coach.

A new selection criterion will be developed for the former ‘Junior Academy’ which will come from State and National Carnivals. We will advise entry requirements once they have been formalised. This will now be known as the National Junior Development Camp.

On a final note, even though all this disruption has been going on in our lives, we have been lucky enough to be in one of the least affected areas in the world. I hope that you all get through these awful times unscathed, and that we return for another chat in another 12 months. All the absolute best to you all.

**Len DeCandia**
