# PRESIDENT'S REPORT

---

SACTA has had a busy year in 2022 with all carnivals being well attended. The DTL Carnival was a successful carnival with numbers being slightly down due to COVID uncertainty and some hesitancy to travel interstate and within the state. The skeet carnival was successful and was also affected with reduced numbers of attendance wise by COVID as well. We can look forward to 2023 with less COVID restrictions and hopefully shooters getting back to pre pandemic participation levels. The ISSF carnival was also a Shooting Australia endorsed event and saw good interstate participation at International Clay Target Club. Kingston SE Clay Target Club hosted the South Australian Sporting Clays carnival in June and again had a well attended and enjoyable day.

I would like to thank all SACTA Teams who participated at National events during 2022 and congratulate the winning teams and also congratulate those shooters who made national teams in their respective categories.

2022 has been a tough year post COVID and we have seen that in the closure of two clubs due to ground loss. It would be a good time to look at how our clubs go recruiting new members and retaining existing members so that we may continue to be the successful sport we have at this point in time.

The South Australian government is pushing all clubs and organisations which receive assistance from the government to implement the 40:40:20 gender ratios on the boards of the organisations within South Australia. This will impact SACTA due to our lower numbers of female board representatives and it has been something we have been trying to actively change with greater female representation on the SACTA board. This is made more complicated due to the nature of how our board is elected via zone delegates. We would encourage any members who wish to participate and assist with board positions to please step up and make yourself known.

Junior development and coaching has undertaken a coaching day at International Clay Target Club this year with the reaccrediting of club coaches and accreditation of new coaches. Junior members were generously treated to a free day of shooting on the next day by ICTC and a great day was had by all. If any clubs or zones wish to run junior coaching and development events SACTA has funds available to assist with each zone allocated \$1000 per year for junior coaching.

Thanks to executive for the past year and especially to those retiring executive who have contributed to a successful year. I would also like to thank all of the volunteers and all people who make all shoots possible around the state throughout the year. Without your efforts the sport wouldn't be as enjoyable and successful. Special thanks must go to our tireless Secretary, Deb McPherson, who dedicates so much time to the running and organisation of state carnivals and general running of SACTA.

I look forward to seeing you around the traps in the coming year.

Andrew Hoare

# STATE COACHING REPORT

---

Hi Everyone.

I hope this message finds you and your families all well.

As we've seen the restrictions eased over the past 18 months, we have been able to return to some semblance of normality for our shooting sport.

This has enabled us to put some plans in place from last year with some 'Come and Try' days at local Club levels for those wishing to aim at increasing their memberships.

Behind the scenes, there has still been a decent amount of work continuing. Our new ACTA Coaching courses have now been completed and implemented so that we can start facilitating them in all States.

By the time this book is released, we at SACTA would have already held our first State Coaching course for the participants that wished to become Club coaches.

This year 6 new participants took the reigns over a weekend in June, so congratulations on their success in becoming Accredited ACTA Club Coaches.

Under the guidance of our National Coaching Committee Chairman – David Coleman, we also took the opportunity over the same weekend to reaccredit any South Australian Coaches that had lapsed, which means that we are back to almost 100% capacity in Club Coaches throughout South Australia.

During this same weekend, we were able to accredit Deserie Baynes as our State Coaching Course Facilitator. This will now enable us to conduct our own courses/trainings without the need to bring someone across from interstate. We welcome and thank Deserie for taking up this senior position in our State Coaching ranks.

Early in 2023, it is our intention to put on some coaching days for those interested in picking up those illusive few extra targets in DTL, Skeet, ISSF, Sporting, or even UT, with trainings from Coaches proficient in their respective disciplines.

The new ACTA Pathway is now in place (National Junior Development Camp) and plans are afoot for the commencement of such from 2023. This will be a 'High Performance' training for juniors showing high levels of potential in their chosen discipline.

The National Coaching Committee has now gone under the umbrella of the ACTA Enhancement Committee. This step is to ensure that Coaching at all levels continues to receive the level of importance that is required for our sport to move ahead in the future.

We are still in discussions with the State Government bodies/Education Department to see if the DECD Schools participation program can be reinstated into the school curriculum so that we are able to bring students to our Clubs to try the sport of Clay Target Shooting with a revised risk assessment plan. I would like to encourage all Clubs to take advantage of the SACTA funding available through your Zones, for Junior Coaching and look forward to the creative ways that Clubs may gain momentum through Schools with weekend 'Come and Try' days.

On a final note, I wish everyone good health, and that we return for another chat in 12 months, having had the opportunity to socialise and enjoy some shooting with our counterparts at Club, Zone, and State level.

All the absolute best to you all.

**Len DeCandia - *South Australian Coaching Director***
